Firm Overview:

Avantia Asesoramiento Fiscal y Legal is one of the leading independent Spanish firms in the provision of tax and legal services to national and international private wealth clients, with offices in Bilbao and Madrid. Its management team has over 24 years of professional experience gathered in PricewaterhouseCoopers in the UK and Spain, initiating the Spanish Private Client Practice, and Ernst & Young Abogados, with Javier Estella Lana as Partner-in-Charge of the Spanish High Net Worth Private Client Practice and Patricia García Mediero as Partner-in-Charge of the provision of international private wealth services.

The firm focuses on building professional relationships with its clients based on trust, confidentiality and sound business and technical methodology on the basis of a joint tax and legal approach. Its professionals have outstanding academic qualifications in Spain and abroad in the fields of taxation, legal counsel and business management (Instituto de Empresa, IESE management programme, UK Institute of Taxation, Harvard Law School), as well as extensive experience as regular speakers at leading national and international private wealth events (STEP, IIR, International Wealth Advisors Forum), professors at prominent Spanish academic institutions and universities (Instituto de Empresa, Universidad de Deusto), independent experts on succession matters at the Committee of Legal Affairs of the European Parliament - JURI and contributors in specialist publications both in Spain and abroad.

Avantia Asesoramiento Fiscal y Legal is widely reputed for its consistent quality and expertise and has been ranked as leader in its field by the most prestigious independent publications and bodies, including Chambers Europe, Legal Media Group – Euromoney, Citywealth Magazine, Who's Who Legal and has been shortlisted by the Society of Trusts and Estate Practitioners (STEP) for its International Legal Team of the Year Award.

Main Areas of Practice:

Tax Services, Private Wealth: The firm provides domestic and international tax advisory and compliance services to its private wealth clients at all wealth tiers, from individuals and their corporate interests through to their underlying investments, covering all direct and indirect taxes involved, including income tax, inheritance tax, corporation tax, VAT and transfer taxes. The firm also addresses tax needs arising from specific events such as business and wealth restructuring processes, 'intervivos' or 'mortis causa' free transfers, acquisition and disposal of business interests and/or passive investments, IPOs, joint venture agreements or other business ventures, real estate transactions, remuneration planning and any other arrangements giving rise to complex tax issues. It also provides services relating to tax audits and investigations, court appeals, as well as those relating to the submission and obtention of Spanish tax rulings and voluntary disclosure processes.

Clients:

It is the strict policy of the firm not to disclose the names of its clients. Its high net worth clients include high and ultra high net worth individuals, family groups, artists and sportspersons, family businesses, entrepreneurs, company directors and board members, private banks, private asset managers, leading and specialist law firms, trustees and executors of complex estates.

International Work:

Avantia Asesoramiento Fiscal y Legal has a unique offering of a full-time professional team involved in the provision of cross-border private wealth tax and legal services to clients with an international profile. The firm provides these services to both Spanish nationals and family groups with investments or transactions abroad, including tax and legal services required on disposals of shares and business interests to multinational corporations and to foreign citizens investing into Spain, whether real estate or other investments. It has extensive experience in international transactions, planning, implementing and providing full assistance on transfers of residence, advising on cross-border estate and gift matters both from a tax and international civil law perspective, assisting settlors, trustees and beneficiaries of trusts on all Spanish tax and legal matters affecting their arrangements and advisory services on the use of international structures for tax planning purposes. As an independent professional firm with extensive experience in international private wealth matters, Avantia Asesoramiento Fiscal y Legal combines the ability to coordinate cross-border projects with sound technical expertise and an outstanding network of working relationships with pre-eminent private wealth tax and legal advisors in all leading jurisdictions.
